Circle of Friends Member Agreement

Section 1: Introduction to Circle of Friends

Like CSA, Circle of Friends supporters purchase their vegetables early in the year when farm expenses are highest in exchange for a discount throughout the season. We will keep a running total of your purchases throughout the season and keep you updated each week you shop. You need not bring cash or a credit card to the market - hardest part will be picking out your favorite vegetables. This year we will be attending the Teton Valley Farmers Market in Driggs on Friday mornings from 9am-1pm and the Jackson Hole Farmers Market on the Town Square from 8am-Noon.

Section 2: Monitoring Credit

Teton Full Circle Farm will be responsible for recording purchases and keeping your balance. It is our responsibility to notify you of your credit after each purchase.

Section 3: Redeeming your Membership

You are responsible for using the full value of your Circle of Friends Membership within the season. Leftover credit will not be rolled over to the following season. Circle of Friends Members can use their credit at the Teton Valley Farmers' Market, Jackson Hole Farmers' Market, and on the farm at events like our annual plant sale. Other names can be added to your card (friends, family, etc.) if you need help using up your credit.
